

# CAMPUS HOUSE

A CHURCH COMMUNITY AT PURDUE

## WORSHIP PASTOR POSITION

**We are:** a non-denominational church community in the heart of Purdue's campus. We're a spiritual home for undergrads, graduate students, young professionals, and families seeking to listen to Jesus and follow where He's leading. Our big aim is to increasingly become a place and people of God's presence, belonging, healing, and equipping, sent out to make disciples and share the love of Jesus with the world. We moved into a brand-new building in 2021 (an incredible story of God's faithfulness we'd love to tell you about) and host two Sunday worship services, weekly small groups, in-house events, and various missions and outreach opportunities. Our coffee shop, Greyhouse, has three locations across Greater Lafayette (including the first floor of Campus House) and welcomes hundreds of customers each day, many of whom would never step foot in a church.

As a member of our team, you would be an integral part of a passionate, hard-working, caring staff family that prioritizes soul care and helping each member thrive—at work and in the rest of life. Both the pastoral and administrative teams keep the Word and mission of Jesus central to our tasks as we serve, encourage, and learn from young men, women, and families at Purdue.
